For each private lesson an instructor and/or sidewalker, horse, horse leader are scheduled for your lesson time.

You and the Breezy Hill staff have made a commitment to your lesson time.

This lesson time is exclusively yours - we give private lessons only.

Parents/Guardians need to stay on the premises during the student's/rider's scheduled lesson time.

Helmets

Because of health reasons, all student's after their first lesson are required to have their own riding helmet.

We will provide a riding helmet for the new rider's first lesson.

The rider will need to purchase a riding helmet to participate in his/her lessons.

If a student does not have a helmet, the student does not ride and will be charged.
